10:40am - 11:30am: AI video creation workshop by Fooyo

11:30am - 12:00pm: Q&A

— About this Challenge

The Stories Unearthed: WAN AI Video Challenge is an **AI-powered video creation competition** where participants transform **archaeological discoveries** and heritage stories into engaging short-form videos powered by **Alibaba Cloud's AI models - WAN and Happy Horse**.

Open to creators of all backgrounds, the challenge **encourages innovative storytelling** using AI to bring history to life for modern audiences.

PRIZES

- **First prize:** SGD 6,000 + 1,000 AI credits
- **Second prize:** SGD 4,000 + 500 AI credits
- **Third prize:** SGD 1,000 + 300 AI credits

3 Honourable mentions: SGD 800 + 100 AI credits each

— Challenge mechanics

- **Participants will be using the Kakis platform for video creation** throughout the challenge.
- All participants are **required to register for a Kakis account**. A **step-by-step user guide was shared via email** earlier today.
- **500 credits will be automatically allocated to each account** for video creation during the challenge period.

Challenge theme

The overarching theme for this challenge is **Archaeology and heritage, inspired by exhibitions at ArCH Square** - the first education and outreach centre dedicated to archaeology and intangible cultural heritage (ICH) in Singapore and the region.

SUB-THEMES SELECTION

Participants may choose a theme from the following selection to base their video on :

SUB-THEME 1

OBJECTS OF LIFE: EVERYDAY RITUALS AND BELIEFS

Recommended exhibitions you may refer to (Non-exhaustive):

- Legacy Artefacts: Traces of Trade and Exchange
- The Empress of Asia
- Submergence II: Lived Manifest

SUB-THEME 2

FRAGMENTS TO STORIES: THE WORK OF ARCHAEOLOGY

Recommended exhibitions you may refer to (Non-exhaustive):

- Expedition
- The Shah Muncher
- The Temasek Wreck
- Submergence: Seabed and Archaeology
- Submergence II: Lived Manifest

SUB-THEME 3

THE SEA AS ARCHIVE

Recommended exhibitions you may refer to (Non-exhaustive):

- The Empress of Asia
- The Temasek Wreck
- Legacy Artefacts: Traces of Trade and Exchange
- Submergence: Seabed and Archaeology

Note: The exhibitions are intended as a source of inspiration and visitation is not mandatory. Participants are encouraged to draw on their imagination and creativity when developing stories inspired by the sub-themes

Timeline

- **Submission deadline:** Friday, 29 May 2026, 12pm (SGT)
- **Awards Ceremony*:** Tuesday, 16 June 2026, 3-5pm (SGT)

*Only shortlisted participants will be invited. More details will be shared closer to the date.

— Key Terms and Conditions

ELIGIBILITY

This challenge is open only to participants who are currently residing in Singapore.

SUBMISSION GUIDELINES

- The video must be submitted in the following **format: MP4, 16:9 (1920 × 1080) landscape orientation**, and be **no longer than 3 minutes**.
- **All AI-generated content must use Alibaba Cloud's AI models (WAN and Happy Horse) exclusively. Additional third-party editing tools may subsequently be used** to enhance, compile, or finalise the video, **provided the original WAN / Happy Horse-generated clips remain identifiable**.
- **Only individual submissions are allowed.**
- **Only one entry is allowed per individual.**
- The final video must be **submitted through the official competition submission link provided**.

Resources and Support

A recording of this Online briefing and Workshop will be sent to you along with this deck.
